

## Cherry Creek Boys Basketball 2024-2025 Season Sponsorship Opportunities

**Cherry Creek Boys Basketball Roundball Club** supports young student athletes and their teams by providing players and coaches with the resources they need. Your sponsorship helps to provide equipment, transportation, tournament and travel fees, uniforms, and other necessities.

Sponsorship may also be a valuable marketing and promotional opportunity to highlight your business and services. Cherry Creek is the largest in-person high school in Colorado with an energetic and devoted fan base, as well as alumni all around the state and country. Your sponsorship not only demonstrates support of Cherry Creek and high school athletics, but puts your business front and center in the minds of thousands of students, parents, grandparents, teachers, and others.

The Cherry Creek Roundball Club is a 501 (c) (3) public charity, non profit organization. Donations made to the organization are tax exempt. A letter is available upon request.
